Langley Research Center Safety Alert

Date: MAR 05 1999

TO: All LaRC Employees

FROM: 429/Head, Office of Safety and Facility Assurance, OSEMA

SUBJECT: Transition from the LaRC Red Tag Program to a Lockout/Tagout Program

Langley Research Center will transition from the existing Red Tag only program to a Lockout/Tagout program on March 15, 1999. **All safety clearance procedures performed at LaRC after March 15, 1999, will require the application of a Red Tag, a red lock, and associated hardware.** Red Tags already hung as of this date do not require the addition of a red lock.

An updated copy of LaRC handbook entitled "Safety Clearance Procedures (Lockout/Tagout), LAPG 1710.10" may be viewed on the web at:
